Request for Fire Fighting Assistance and Release of Liability

We (I), the undersigned, being the owner of the property described on page one of this document, request that the P.G.&S. Volunteer Fire Department render all assistance that it, or its fire fighting personnel, deems to be necessary, or desirable, to fight any fires that may occur in the future on the said property.

We (I) hereby release the said P.G.& S. Volunteer Fire Department and its agents, servants, employees and all personnel of the said corporation from all liability, including, but not limited to, liability for any negligence or malfeasance in its attempts to fight fires on said premises and this release shall be a part of the consideration of their rendering the said fire fighting service, it being understood that the said corporation would not render the said service at all without this release.

This request and release shall not bind the said corporation to fight fires on said property and, if the said corporation does not, or can not, answer a call, or calls, to fight fire(s) on this property, there shall be no liability arising from such failure.

This document shall remain in effect with regard to the property indicated until same is canceled by giving written notice to the corporation.
